

Modern Foreign Languages Challenge

Parlez-vous français ? Sprechen Sie Deutsch ? Hablas español?

We would like to know more about how the foreign languages that you already know!

Read through the MFL Transition booklet. This is an opportunity for you to show off what you have learned about languages in your primary school but it not just about that, if you know any other languages, tell us about it!

Think about the questions carefully and try and remember as much as you can. There is also an opportunity for you to do some research/ thinking about some of the languages we teach at Poynton High School. We look forward to reading how much you already know when you join us in Year 7!

Merci, Gracias, Danke!
