

Test your cultural knowledge with this 'Do Now' quiz – answers and purpose of this to be revealed!

# Do Now

1	2	3	4	5	6
 <p>Who is this person and what did they do?</p>	<p>In which country is this eaten on Christmas day?</p> 	<p>'Never mind Brexit, who won Legs-it!' – from which newspaper does this headline come from?</p>	 <p>Where is this place?</p>	<p>Name three wind instruments.</p>	<p>'There is something on that birth certificate that he doesn't like' – who told this famous lie about Barack Obama's Birth certificate?</p>
7	8	9	10	11	12
<p>Why did this person not fight in the Vietnam war?</p> 	<p>What is the longest running soap in the UK? Where is it set?</p>	 <p>Which book is this the cover of?</p>	<p>For how long was this person in prison?</p> 	 <p>Who is this person and what did they do?</p>	<p>Who was the first British female to have a Number 1 record with a song she wrote?</p>

# KS3 Transition Information

## Year 8

*Inspire*

*Achieve*

*Celebrate*

# The KS3 Team

Miss Jodie Hancock  
*Director of Learning for KS3*

Mrs Alison Riley  
*Welfare Lead for Years 8 and 9*

Mr Craig Western  
*Assistant to the Year Team*

Miss Wendy Ryder  
*Assistant Headteacher - Link to Year 8*

# Congratulations to the Class of 2022!

We are consistently in the top 10% of schools nationally for attainment at GCSE.

Year 13 (442 entries):

- 50% were graded A\* or A
- 70% were graded A\*-B
- 90% were graded A\*-C

At GCSE (2337 entries)

- 9% of all grades achieved were at the highest grade of 9
- 34% were at grades 7-9 (a 7 is equivalent to an old A grade)
- 84% were at grade 4-9 (a 4 is equivalent to an old C grade)

# Attendance

If a student is unable to attend school, parents/guardians should call the school before 8:30am.

Please provide the following information:

- Student's name
- Student's year group
- Your relation to the student
- Reason for student's absence

A member of the Team will contact you to discuss the return to school.

# Attendance

Attendance	Number of students	P8	A8	5 or more 9 - 4 inc En & ma
> 96%	164	0.31	57	86%
91 - 96%	45	0.14	54	80%
86 - 90%	15	-0.48	41	47%
< 86%	6	-0.88	29	0%

## Humanities

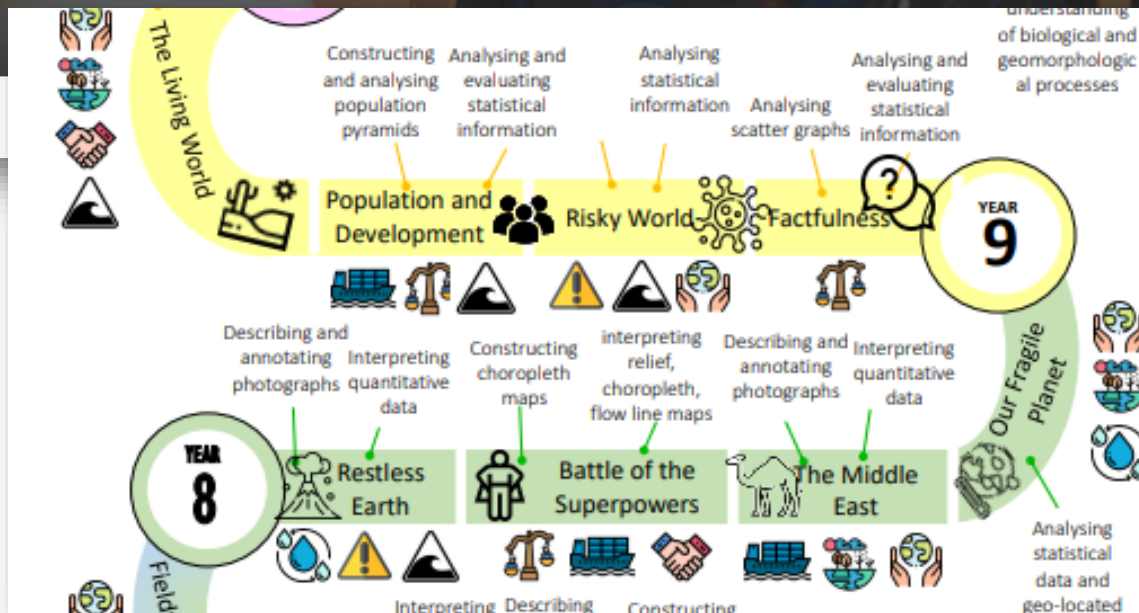

### Director of Learning - Miss S O'Loughlin [Email](#)

The Humanities Team includes many different curriculum subject areas. We are dedicated to the promotion, enjoyment and excellence of our subjects through exciting and enthusiastic teaching.

At Key Stage 3 students receive six hours of Humanities lessons every timetable cycle involving the individual study of History and Geography. We pride ourselves on creative teaching which appeals to all types of learners.

At Key Stage 4 students can opt to study History, Geography or Business GCSE or BTEC Tech Award in Enterprise. The majority of students choose to maintain their Humanities education. Our results are excellent and we aim to maximise the potential of all our students.

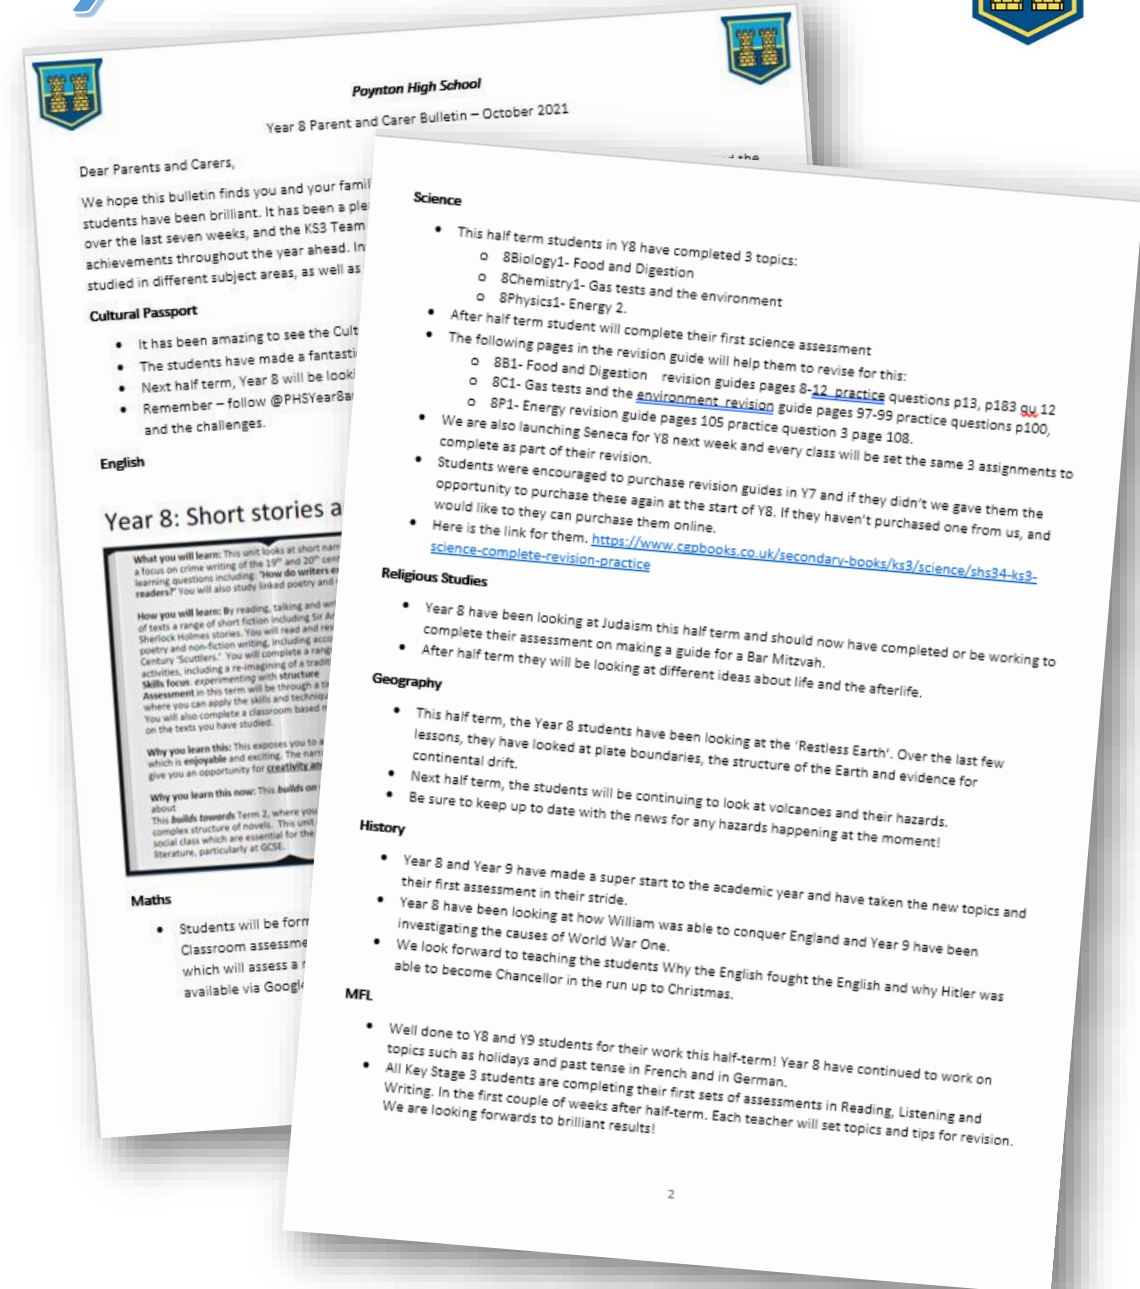

At Key Stage 5, students can opt to study History, Geography, Business, Economics and Sociology to A level or BTEC Extended Certificate in Business.

# Communication: Half Termly Bulletin

- Each half term we will send out a parent and carer bulletin
- This will celebrate our students achievements from the half term
- It will highlight important events taking place in the next half term and any subject specific information for you to be aware of
- The bulletins will also provide you with an insight into what is being studied in each subject area
- There will be ideas to support students furthering their learning outside the classroom

# Communication: Reporting

- Subject teachers, Heads of Department and Directors of Learning will review the progress of your child throughout the year
- This will be communicated to you formally three times a year

- The Progress Grades Reports:
  - **'Progress'** is an indication of the knowledge and skills that students have acquired since their last progress report and also takes into account their starting point in terms of prior attainment
  - **'Approach to Learning'** is a report on effort

## New GCSE Grading Structure

Ofqual  
.....

NEW GCSE GRADING STRUCTURE	CURRENT GCSE GRADING STRUCTURE
9	A*
8	A
7	A
6	B
5	B
4	C
3	D
2	E
1	F
	G
U	U

**GOOD PASS (DFE)**

**AWARDING**  
4 and above = bottom of C and above

# Communication: Reporting

## CRITERIA

### Approach to Learning Grade (replaces previous Effort grade)

Code	Description
A+	<p><b>Excellent:</b> Shows commitment to getting the most out of all learning opportunities available. Actively participates in the lesson at all times and is fully engaged. Actively seeks feedback on how to improve the quality of their work. Perseveres with all challenges. Uses their initiative in a range of situations and does not always have to be told what to do. Consistently makes an excellent effort. Home learning is always submitted on time and is of an excellent standard.</p>
A	<p><b>Very good:</b> Demonstrates a very good work ethic and shows commitment to improvement. Actively participates in lessons and shows engagement. Engages with SMART marking and feedback in order to improve the quality of their work. Usually perseveres with challenges presented. Has demonstrated that they can use their initiative in a range of situations and does not always have to be told what to do. Consistently makes a very good effort. Home learning is submitted on time and is of a very good standard.</p>
B	<p><b>Good:</b> A responsible and hard-working student who tries hard. Shows a good interest in their learning and is attentive and focused. Responds well to feedback. Willingly participates in the lesson. Is willing to persevere when things get difficult. Takes responsibility for their work. Consistently makes a good effort. Home learning is submitted on time and is of a good standard.</p>
C	<p><b>Inconsistent:</b> A student who does the majority of what is expected of them but fails to push themselves or make the most of the opportunities available. Shows some interest in their learning and is generally focused. May not try hard enough to improve their work after feedback. Sometimes participates in lessons. Takes some responsibility for their work. Might make a good effort in some lessons but it is inconsistent. Home learning is sometimes incomplete or late.</p>
D	<p><b>Poor:</b> A student who needs support or intervention to become a more responsible learner. Is not interested in being challenged. Fails to act on feedback. Makes little effort to participate in lessons. Takes little pride in their work. Effort is frequently a cause for concern. The quality of home learning is poor. It is often incomplete, submitted late or not completed at all.</p>

## Progress Grade

This is no longer awarded as a direct comparison of a predicted (attainment) grade against a student's guidance grade. Instead, it is based on the knowledge and skills that a student has acquired since the last progress report and also considers their starting point in terms of prior attainment. It is influenced mostly by the most recent assessment results.

Progress is reported as:

Code	Description
E	excellent
A	good
U ...	below expected
U1	Student should focus on developing understanding of concepts
U2	Student should focus on improving organisation
U3	Student should work harder outside the lesson
U4	Student should work to improve examination technique and structures (*see below)
U5	Student should improve his attendance in lessons
U6	Student should focus on developing practical skills
U7	Student should be more involved in lessons
U8	Student should improve behaviour in lessons (C1/C2 warnings have been given)

- The above documents are included in the letter that is sent home with the students reports
- Further guidance on how to support with the above U codes can be found on the school website

# Whole Cohort Screening

## **CAT4 – Year 7**

The Cognitive Abilities Test Fourth Edition (CAT4) is a suite of tests developed to support schools in understanding students' abilities and likely academic potential. Results from CAT4 can be used to inform individual and group teaching, for target setting and monitoring the performance of groups of students.

## **NGRT – Year 7/8**

The New Group Reading Test (NGRT) is a standardised, termly assessment that reliably measures reading skills against the national average to help you get to the root of any problems precisely and quickly.

## **WRAT4 – Year 9 (March/April)**

The Wide Range Achievement Test 4 (WRAT4) is an academic skills assessment which measures reading skills, maths skills, spelling, and comprehension. We have focussed on the reading element of this testing package.

# How we use this Data

- Use as a baseline measure to monitor student progress, in the absence of Year 6 SATs data.
- Allow teachers to better understand the learning profile of students
- Inform teaching and learning for students to reach potential
- Identify areas where students may require support or further testing
- Data reviewed by Learning Support and students identified for testing to apply for access arrangements to be applied (within 26 months of exam period)

## **Information for Parents/Guardians**

Over the next term we will be reporting to parents and guardians the outcomes of the screening, suggesting ideas of how students can be further supported at home.

# Our Expectations

- Key Theme for Year 8 – **‘Taking Responsibility’**
- There will be many opportunities for Year 8 students to get involved with activities and develop leadership skills, including taking on the role of Form Rep or Charter Ambassador
- All Year 8 students will have extra curricular opportunities including play in a week and many House and sporting activities
- We want to encourage Year 8 students to take responsibility for their conduct in the classroom, around school and for their learning
- We are really keen to work together as a school to reduce our negative impact on the environment – we are a proud Eco school which is important to our school community

# Positive Behaviour for Learning

- Our positive behaviour for learning policy enables us to celebrate all of the achievements of our students whilst also ensuring they make the right choices consistently.

Behaviour points will be given to students who do not make the right choices.

This is given at a number of levels:

- C1 – warning
- C2 – 10 minute teacher detention
- C3 – removal from lesson
- C4 – high level incident
- C5 – incident outside of lessons
- C6 – charter violation

We hope that through a consistent approach around school students will know what is expected of them and that they will make the right choices in compliance with our policy.

Rewards are a key focus of our policy.

Students will be given House points for a wide range of things, including participation in lessons, completing excellent pieces of work, participation in extra curricular and house activities, completing Cultural Passport challenges and helping their peers as well as many other things.

House points can be achieved at different levels:

- H1 – positive (2 points)
- H2 – very good (5 points)
- H3 – outstanding (10 points)
- H4 – exceptional (15 points)

Under different categories:

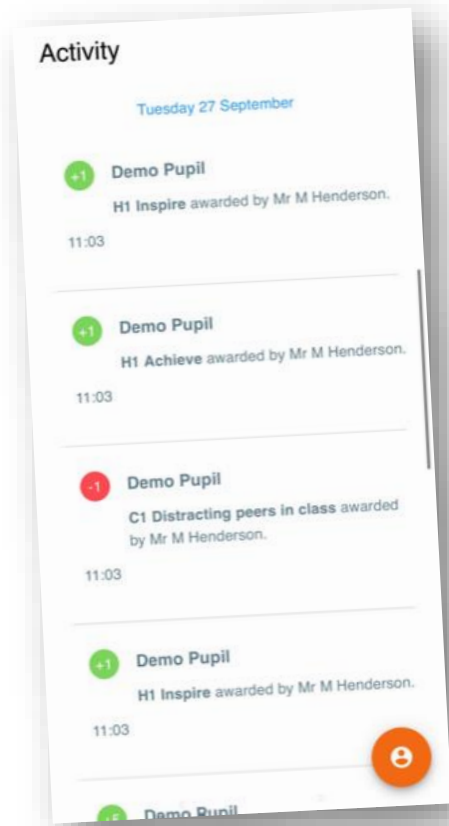

- Inspire
- Achieve
- Celebrate

Your support in celebrating the successes of our young people, as well as discussing and helping to improve negative behaviour choices, is really important and very much appreciated.

# Class Charts

- On this you will be able to track your young persons conduct and attendance.
- This will be updated at the end of each day for you to monitor.

# ClassCharts

# Poynton High School Educate – Challenge – Empower Charter

- We are proactive in making the positive changes needed for a world where everyone is treated fairly and equally.
- We are KIND and acknowledge that ‘banter’ can be dangerous and harmful to others, it cannot be used as an excuse.
- We recognise that peer on peer abuse takes a wide range of forms, ranging from sexist name-calling to physical abuse and have a zero tolerance of this.
- We openly challenge harmful language, stereotypes and actions (that show prejudice based on gender, sexuality, disability, race, ethnicity, religion and background.)
- We offer opportunities to talk about how we feel and actively encourage each other to support positive mental health.
- We support each other to make improvements and recognise that failure is part of the path to success.
- We LISTEN to each other and are mindful that everyone faces their own challenges and insecurities. We strive to understand each other.
- We allow and encourage others to do their best, and look out for each other so that this can happen never putting barriers in their way. We have high aspirations for ourselves and each other.
- We are honest.
- We support each other to stay safe in all of our interactions, including online. We look for opportunities to make others feel safe and boost their confidence.

Bringing us together to make sure that EVERYONE in is valued and works to promote an inclusive school community.

- We recognise that our students have missed a considerable amount of schooling earlier in their school careers.
- Our KS3 students in Year 8 and 9 are very important, very much on the priority list and very much the focus of our staff's thinking.
- We are working extremely hard to help our students to reach their potential; they need to make sure they make use of their time in school to ensure they get the best out of it.
- Valuing every lesson, every activity and every homework is what we expect of our young people. This will ensure they get the best out of their education.
- We have high expectations of our young people; they have already made an excellent start to the year and I have no doubt that they will continue to work hard and get involved as the year progresses.

## How can I support my child with their English Learning?

### READING

- The most important aspect of English is reading. We encourage all students to read for at least 20 minutes each day.
- Talking about reading with your child is a great way to help. Ask them about the plot, character and themes of the book and encourage them to expand their answers (you do not need to have read the book to do this!)
- Reading can include both fiction and non-fiction books - <https://schoolreadinglist.co.uk/category/reading-lists-for-ks3-pupils/> This is a constantly updated list of age appropriate books for school age children.

### HOMEWORK AND CHALLENGE

- Students will be set a 'review and revise' homework every two weeks. This is to encourage independence and revisiting of key learning and will help in the lead up to key assessments. Talking to your child about what they are learning in class is another great way to help with their English learning.
- Look out for the 'Stretch and Challenge' reading/writing lists coming soon to Google Classroom.

### READING GROUPS

- We have a number of different reading groups covering a range of genres and ideas. Encourage your child to visit the library and sign up!
- We also have an English magazine called 'Pen', create, written and designed by students - <https://www.phs.cheshire.sch.uk/attachments/download.asp?file=388&type=pdf> encourage your child to join this year and help create the next Pen edition.

<b>Autumn Term</b> <b>'Crime and Detective Fiction'</b>	<ul style="list-style-type: none"><li>• Poetry</li><li>• Sherlock Holmes Short Stories</li><li>• Reading non-fiction 'Crime in 19<sup>th</sup> Century Manchester'</li><li>• Creative Writing</li></ul>
<b>Spring Term</b> <b>'The Novel and The Gothic'</b>	<ul style="list-style-type: none"><li>• Gothic fiction including Frankenstein and Poe's short stories</li><li>• Gothic Poetry</li><li>• Edgar Allan Poe</li><li>• Creative Writing</li></ul>
<b>Summer Term</b> <b>'Power and Identity'</b>	<ul style="list-style-type: none"><li>• Shakespeare's Richard III</li><li>• The Media in 2022/23 and identity</li></ul>

Students are continuing with the White Rose Maths scheme of work in Year 8 which takes the foundation of year 7 and reinforces and builds on it for year 8. All sets study the same topics at the same time, but the scheme introduces more depth with challenging problem solving questions for those who are able to access them.

## Homework

- Written homework – marked by teachers, reviewed in class
- Online homeworks – On Dr Frost Maths. Reviewed by teachers to confirm progress and understanding.

## Assessments

- Formal Written Assessment Termly – Revision Lists will be provided
- Interim Assessments are more informal, but completed in exam conditions where students use their books and revision notes to assist them.

## Independent Study and Support

Students are encouraged to use Dr Frost maths and Seneca Learning platforms for independent study to improve confidence and understanding. They can also be used to revise for upcoming assessments.

Every topic has a Knowledge Organiser Page (which will be in a different colour) to allow easy revision, review, examples and terminology. This is stuck into their exercise books at the start of each topic.

## Set Moves

Set moves are carried out several times per year for a few students who have shown that they will make more progress in a different set. Data from the last few assessments is used to make the decision.

# Science

- **Overview** of when each topic is taught in Y8.
- Test 1 and 2 include 3 topics
- End of Year exam- 9 topics.
- 3 remaining topics taught in summer term

- **Seneca**- online resource used to support revision for tests.
- All homeworks uploaded onto **Google classroom**, including GC mini quizzes

Year 8 ASSESSMENT (Pupil Progress Sheet)

	Points Test /10	Topic	Test mark	Test %	☺ ☹ ☹
Sept-Nov		8B1 Food & Digestion 8C1 Gas Tests & Environmental issues 8P3 Energy 2			
Nov-Jan		8B2 Gas Exchange & Respiration 8C2 Reactivity of metals & metal extraction 8P4 Electric Circuits			
Feb-May		8B4 Plants 8C4 Reactions of acids 8P1 Waves 1: Sound			
June-July		8B3 The Body 8C3 Rocks 8P2 Waves 2: Light			

**Revision guide** - we recommended to buy in Y7. We will be doing another order of these in Y8 in the next few weeks.

# Communication to our Students: *Google Classroom*

- Students have a 'class' for each of their subjects, as well as the Year page and possibly extra curricular activities or student groups
- Students can access home learning and other resources shared by their teachers.
- Please encourage you young person to check this each day.

## Year Page on Google Classroom

This will be updated throughout the year. It will include:

- Student Bulletins
- Important Notices
- Mental health and wellbeing support
- Revision tips and advice
- Making the most of their learning
- Extra curricular activities
- Student development day resources

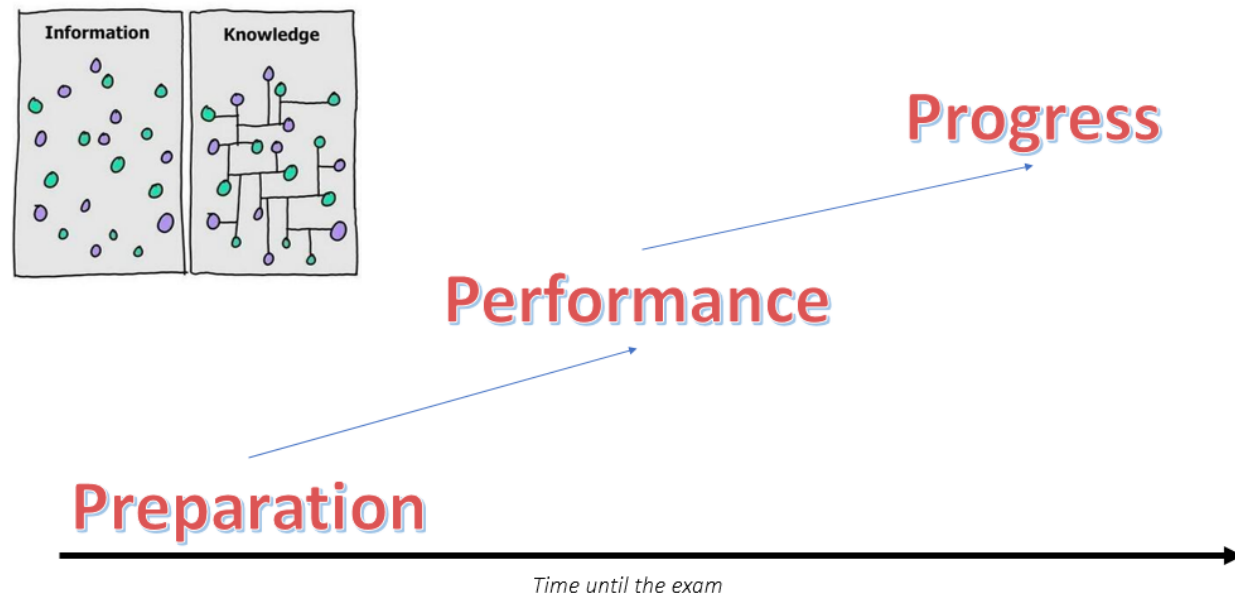

The screenshot shows a Google Classroom interface with a list of posts. On the left, there is a sidebar menu with categories like 'All topics', 'Sponsored Walk', 'Play in a Week', 'Year 8 Exams', 'Careers', 'Student Developme...', 'PE Notices', 'Helpful info!', 'Revision', 'Mental Health and ...', 'Going the extra mile!', 'Educate Challenge ...', and 'Form Sessions'. The main area displays a list of posts, each with a blue document icon, a title, and a due date.

Topic	Post Title	Due Date
All topics	Student Bulletin 19.07.22	Due Jul 20

Educate Challenge ...		
Form Sessions		

# Revision Guidance

- The revision process involves three stages;
  - Preparation
  - Performance
  - Progress
- Each stage is essential for effective revision – this will be communicated with the students throughout the school year and they will have the opportunity to complete revision activities in each of these stages in school

## The Revision Process

## The Preparation Stage

Activities in the preparation stage include:

- Catching up on missed work from Google Classroom
- Organising your book
- Working out which topics you need to focus on
- Creating mind maps
- Completing revision clocks
- Creating cue cards
- Summarising notes
- Transforming your notes into memorable images (dual coding)
- Planning answers to questions
- Designing an 'evil mock' exam paper

## The Performance Stage

Activities in the preparation stage include:

- Attempting an exam question WITHOUT NOTES in timed conditions
- Recreating an aspect of your mind map/revision clock FROM MEMORY
- Quizzing yourself with cue cards/flash cards/mind maps
- Teaching someone else the topic WITHOUT NOTES
- Reading your teachers feedback on your marked work and rethinking your approach
- Knowledge dump – writing down everything you can remember from a topic
- Completing practice questions – eg using Seneca or Dr Frost

This stage is crucial to move your revised learning into knowledge – this helps move the information into your long term memory so that you actually KNOW it and can use this knowledge in an exam situation.

Spend some time during registration for the rest of this week working on the performance stage, based on the preparation stage revision you completed last week.

## The Progress Stage

Activities in the progress stage include:

- Mark your work or practice exam questions using your exercise book as a mark scheme
- Peer assess your work with a friend
- Read someone else's answer and consider what they have done well and how the answer could be improved
- Ask your teacher to check over your work
- Look back at old mind maps or revision clocks to compare what you now know

# Extra Curricular Activities

- There are a wide range of activities for our students to get involved with in school – these range from sports teams, clubs, music, drama, cooking, games and many more
- The extra curricular activities on offer are a brilliant way for our students to further and wider their learning, as well as discovering new skills and interests and making new friends
- The list of extra curricular activities can be found on the school website – but this is by no means an exhaustive list and we endeavour to provide as many opportunities as we can to suit our students' interests.

The screenshot displays the school's website with the following elements:

- Header:** Poynton High School & Performing Arts College logo and name. Navigation links: HOME, ABOUT US, PARENTS, STUDENTS, CURRICULUM, CONTACT US. Utility links: VACANCIES, USEFUL LINKS, SIXTH FORM, and social media icons.
- Menu:** A dark blue dropdown menu listing various school resources such as EduSafe, Home Learning, and Online Platforms.
- Main Content:** A section titled 'Extra Curricular School Trips' with a sub-section 'Extra-Curricular'. It includes a list of benefits like 'make friends' and 'learn new skills'. Below this is a 'School Trips' section.
- Overlay:** A large blue box with white text that reads 'EXTRA-CURRICULAR ACTIVITIES GUIDE 2022-2023'. Below the text are two photographs: one of students in blue suits playing trumpets, and another of students in colorful aprons (blue, green, red, yellow) in a kitchen setting.

Test your cultural knowledge with this 'Do Now' quiz – answers and purpose of this to be revealed!

# Do Now

1	2	3	4	5	6
 <p>Who is this person and what did they do?</p>	<p>In which country is this eaten on Christmas day?</p> 	<p>'Never mind Brexit, who won Legs-it!' – from which newspaper does this headline come from?</p>	 <p>Where is this place?</p>	<p>Name three wind instruments.</p>	<p>'There is something on that birth certificate that he doesn't like' – who told this famous lie about Barack Obama's Birth certificate?</p>
7	8	9	10	11	12
<p>Why did this person not fight in the Vietnam war?</p> 	<p>What is the longest running soap in the UK? 1	2	3	4	5	6
 <p>Jane Austen - Author</p>	New Zealand 	Daily Mail	 <p>China Town, Manchester</p>	Trumpet Trombone Clarinet	Donald Trump
7	8	9	10	11	12
Conscientious Objector 	Coronation Street - Manchester	 <p>The Great Gatsby</p>	27 years 	 <p>Alan Turing</p>	Kate Bush with <i>Wuthering Heights</i>

# Cultural Capital

- The Poynton High School Cultural Passport will be a key focus of KS3
- It will run throughout Year 8 and 9 and will be delivered in weekly sessions during form time
- Every student will be given a passport which is kept in school in which they record what they have done
- The aim of the cultural passport is to:
  - Introduce students to new ideas, knowledge, values, attitudes and experiences
  - find out things that they like, have the opportunity to share those things and the chance to experience so many things
  - Increase engagement
  - Boost confidence
  - Increase awareness and understanding of the world around them
- The sessions will link to all aspects of the curriculum and students will be set a challenge each week on a variety of themes

- Knowledge
- Attitudes
- Values
- Language
- Taste
- Abilities

Cultural Capital:

*'The social assets of a person that promotes social mobility'*

# Supporting Your Child with Learning

The screenshot shows the Poynton High School website with the 'PARENTS' menu open. The menu items are:

- Academy Status
- Attendance & Absence
- Communication to Parents/Carers
- Gallery
- Guidance Grades
- Information Evening
- Keeping Safe Online
- Office 365
- ParentPay
- RSE Consultation 2021
- Supporting Your Child with Learning
- Term Dates
- Reading Strategy
- Year 9 Options Evening
- Admissions and In Year Transfers
- Communication Guidelines
- Diary Dates
- Gift Aid / School Fund
- Home Learning
- Instrumental Tuition
- Latest News
- Parental Engagement
- PTA
- Success Fair
- Supporting Your Child With Their Wellbeing
- Transport Information
- Year 7 Information Evening
- Year 6 Tours

## How can parents help their child?

- Encourage them to develop good study habits at home and engage them in conversation about what they are learning - you might find some of the links below useful here.
- Engage them in discussion on a range of topics from politics to football. Having wider interests will help them learn and gives them vital cultural capital.
- Visit interesting places with them. Some may be subject specific for example an art gallery will give them develop creative ideas for their own art work. Others

er interests.  
a-curricular activities. Many students  
me do and being in the school show or  
ing future opportunities for them.  
ey should be responding to teacher  
dy to learn, having all of their  
orrectly.  
wish to get further advice.  
tips and useful information below. For  
ur young person's year group please

# Supporting Attendance and Punctuality

- Allow plenty of time for getting ready in the morning.
- Ensure a regular bedtime routine.
- Arrange appointments after school hours.
- Please plan holidays in accordance with the school calendar.
- Use good judgement when your young person says they are ill.
- Talk to your child about the importance of attendance.
- ‘Treat every lesson as if it were your last’
- If your son / daughter can’t come in, tell us as soon as possible.
- Call the absence line.
- Ensure that students catch up on any missed work - *See Google Classroom*

# Supporting Positive Mental Health and Wellbeing

- Develop routines at home
- Healthy sleeping habits
- Monitor screen time and the use of social media
- Positive conversations about school and learning
- Healthy living

# Supporting Talking about School

- Show an interest – but not too much!  
Encourage them to talk about school and what they have learnt but don't push it if they do not want to. They will eventually!
- Celebrate their achievements in school
- Discuss any behaviour incidents with them
- Set achievable goals with them – they can be part of this process to give them ownership of their time in school
- Encourage them to ask their teachers when they need help in lessons and to speak to their form tutor or the Year Team when they need support

- We want our young people to be proud students of Poynton High School – dressing in full uniform each day is how they show this
- Full school equipment
  - Black pens, pencil, maths set, scientific calculator, ruler, rubber, pencil sharpener, red pen, glue, scissors, reading book
- Have a space at home to keep their school work – not just thrown somewhere to be lost! A box in their bedroom to keep their books for example
- Encourage them to pack their bag the evening before, checking their timetable to make sure they have everything they need for the day

# Supporting Home Learning and Positive Study Habits

- Encourage your young person to check their Google Classroom each day, and to submit assignments when they have completed it, even if they don't need to upload an image
- Set up a space for them to study at home
- Encourage them to be resilient – if they are stuck, they should use the resources they have available to them – their book, Google Classroom materials and the internet are a good place to start
- Encourage them to revise for assessments – this will be set as home learning
- Help them to be **active** in their revision – they need to practice what they are revising by testing themselves. Reading exercise books is not effective revision!
- Make Home Learning part of their routine – they will be getting home learning; sometimes they will have more than other times, but there will always be things for them to be working through

# Supporting Further Learning

- Encourage your young person to take advantage of the opportunities available to them in school – there are lots of extra curricular clubs and activities that they can get involved in
- Encourage them to complete the Cultural Passport challenges they are set in form time
- Get them reading, watching and listening to different things
- Talk to them about what's happening in the world and on the news

# Housekeeping

## myEVOLVE

We have now set up a new payment system for trips, clubs, activities and shop items such as bus tickets, locker rentals, revision guides, performance tickets etc. This is the only way that parents will be able to pay for these items and is much improved on what we had before.

To enable these items to be linked to your child please create a myEVOLVE account by clicking on the link below and following the instructions.

<https://evolve.edufocus.co.uk/myevolve/setup.asp?id=poyntonhigh>

myEVOLVE provides parents and carers with access to information about the visits and activities that their children are involved in at school.

## Communication Details

If you feel we do not have the best email address or phone number to contact us on please let us know at the end so that we can update our records.

## PTA

Poynton High School's PTA are a very proactive group who help immensely with fundraising for school equipment and are always looking to welcome new members.

If you would like to join us as a PTA member or discuss how you could help please email:

[pta@phs.cheshire.sch.uk](mailto:pta@phs.cheshire.sch.uk)

There are lots of ways to support on the July newsletter:

# What to do if?

- If you have a concern regarding progress, please contact Miss Jodie Hancock in the first instance: [JHancock@phs.cheshire.sch.uk](mailto:JHancock@phs.cheshire.sch.uk)
  - If you have a welfare concern, please contact Mrs Riley: [ari@phs.cheshire.sch.uk](mailto:ari@phs.cheshire.sch.uk)
- A member of the team will endeavour to get back to you within two working days, as per the school communication guidelines
- For regular updates and key information, please follow us on Twitter: [@PHSYear8and9](https://twitter.com/PHSYear8and9)
  - The school website has information regarding extra curricular activities, departmental twitter pages, curriculum content and support for our young people
