

Bromcom Student App – Install instructions

To use the Bromcom Student app on your phone you'll need to download the “Bromcom Student App” from your app store.

Once installed, select the Microsoft logo.

This will then be your school email address. The format for this is your username followed by @poyntonhigh.org.uk. Usernames follow the format, year you joined school, first four letters of your surname, first initial. For example Joe Smith who joined school in 2026 would be 26SmitJ@poyntonhigh.org.uk

The password will be the same password you use to sign into the PC's in school.

You will then be asked to set up a code

If you encounter any issues please contact helpdesk@poyntonhigh.org.uk from a registered email address. We are unable to respond to emails from unknown senders.
